NAYAN MESHRAM

Aspiring Web Developer | React.js • JavaScript • Node.js
Phone: [Your Phone] | Email: [Your Email] | Location: [City, State] | GitHub: [GitHub URL] | LinkedIn: [LinkedIn URL]

PROFESSIONAL SUMMARY

Motivated aspiring web developer with an interest in building responsive, user-friendly web applications. Developing skills in React.js, JavaScript, and Node.js, with a focus on clean code, problem-solving, and learning modern full-stack development practices. Seeking an opportunity to contribute to real-world projects and grow as a developer.

TECHNICAL SKILLS

Frontend	React.js, JavaScript (ES6+), HTML5, CSS3, Responsive Design
Backend	Node.js, Express.js (learning / practical exposure)
Tools	Git, GitHub, VS Code, npm

PROJECTS

LeetMetric — Coding Profile Dashboard

- Built a web interface to display coding-platform problem-solving statistics using JavaScript and a progress-based UI.
- Added username input and visual progress indicators for easy/medium/hard problem categories.
- Practiced DOM manipulation, API integration concepts, and debugging client-side requests.

Personal Web Development Project

- Create responsive web pages using React.js, JavaScript, HTML, and CSS.
- Focus on reusable components, clear UI structure, and maintainable code.
- Replace this entry with a completed project name and verified features before applying.

EDUCATION

[Degree / Course] — [College / University]
[City, State] | [Start Year] – [Expected Graduation Year]

ADDITIONAL STRENGTHS

Problem-solving • Willingness to learn • Team collaboration • Attention to detail
